## Horny Aunty

I'm Kamal age 26 from rich business family. This happens to me two month back, when urgently I go to Delhi and not getting plane ticket I go by train. Train also I get only RAC. But one night journey only so I thought I will adjust. I go before time and find my seat and standing in door when train starts moving. Just then I see one sexy looking woman running to catch train. I move to one side she throw bag inside and get into train. When she get in, she slip little and falling on me. I am also put hand for catching her and hands catch her in waist. Then I am looking closely at her. She wheatish color and plumpy Punjabi aunty, wearing sari. She looks beautiful age around 35. She is having big round shape boobs bursting out of tight blouse. By running her chest goes up and down making round boobs bulge more. Where I am catch in waist she having nice rounded stomach with side folding. "Oh thank you so much for stopping me falling down." "Aunty why are you getting in moving train, if I am not catching you, you fall from train and get hurt." Yes I know but I got late in traffic. "Come aunty I will help you and I carried the bag inside train. She was searching for seat and I am

surprise when she sits on my seat. "Oh aunty this is my seat also." I am very happy that sexy looking aunty will be sharing the berth with me as she also had RAC. I was praying we do not get berth and it was crowded train and TTE told no seat and have to adjust in one only. We are sitting and talking. "Aunty I am Kamal going to Delhi for family function." "I am Sushma going to Delhi also." From talk I learn she is married and having one daughter and husband is doing job in private company. From dress I am seeing she is middle class type woman. Then talk stop and she watching outside. From side I can see her left boob conical shape big one and getting hot. I take out my new Sony walkman. She sees that and wants to know what it is. I showed her and explain it is new type walkman of Sony and can be put on hand when doing walk or jogging. I am seeing chance to patio Sushma. "Aunty Do you want to try this." "You are listening Kamal." "No aunty both can listen at same time. Let me fix it for you." I fold down seat so it is berth type now and sit close to aunty and put walkman on auntie's arm. When putting I touch her big boobs but she not told me anything. So I get happy. I put one hand on her shoulder and put one earpiece in her left ear and sitting close I put one earpiece in my ear. Then we listen to music all songs I have are music video remix type and both enjoying songs. When train moves my arms rubbing auntie's bulging boobs from side. Slowly my cock gets hard inside my pant and making a bulge. But where we sit light is less so I think she not seeing my cock bulge. Slowly night time all passengers switch off light and sleep. "Aunty if you want to sleep, you sleep I will sit only." "No Kamal let us both sit only." Then I get another idea. When traveling I carry portable DVD player also. I take it out and start to use it. She immediately asked "what is this Kamal." I told it is portable DVD player and offered to her. I told I am tired and want to lie down and she can see movie. I showed her how to use it and gave my collection of vcd. Only one or two were films rest were blue films. Then I lay down and stretched my legs on

the berth. She also sits down with back to wall and put her legs folded on the berth. Then from corner of eye I was seeing her. Time passed night it was about 1am and she finish with one pic. All this time my leg sometimes touching her big ass. Aunty ass feels very soft and nice. Then she got up for going to toilet. That time I see her big round buttocks are moving up and down shaking when she walks. And sari was also catch in ass crack and showing two sides clearly. Then she came back to seat. I watch her changing cd. From plain cover I knew it was blue film but I acted like sleeping. She put it in drive and starts to watch. Suddenly I see her eyes wide with shock. I knew first scene is starting. Then I saw her look to all sides and also to me. But I close eye tight and act like sleeping. Then when I open eye I see her watching screen staring at it hard. As movie played her breath became quick and in the blue light of train night lamp and reflected light from screen I saw her face was having horny expression and her chest was moving up down more. She stretches her legs and she cross her legs at ankle and trying to do rubbing of legs. I guessed she was hot and wanted to masturbate. I put my hand and touched her feet at ankle and slightly rubbed. She looked but my eye closed. She again see movie. I put my hand under the sari and petticoat and rub her legs. This time she knew it is not accident. She tried to close her legs. But I pushed my hand more up and touching her thighs. I am more strong and she very hot and want to touch pussy. After time she open her legs slightly and I push hand more up. My fingers touch her panty now and I rubbed it. Her panty was already wet. With more rubbing wetness increased and now she moaned little. I pushed the panty to side and touched naked pussy. She had hairy pussy and I pushed one finger into wet hole. She moans more now. "Ssshhhhh aahhh". I am inserting two more fingers in pussy. Aunty pussy very wet and hot inside. I rotating fingers inside pussy and she move legs now. I do more fingering and then she cum on my fingers and I feel her body shaking. I take out fingers and lick she sees me and smile then I get up and move to toilet side. I want more with aunty. She also comes behind me after two minutes. "Oh Kamal you make me hot," and she hugged me. Her big soft boobs press in my chest and I catch her ass with both hands and pull her tight. My hard cock poked into her waist and I squeezed her plump buttocks hard. "Aahhh hhhmmm," she moaned. I turn her round and told to put hands on the door and stand. From back I roll up her sari and petticoat. I sit on floor and kiss her plump thighs. Then I licked her thigh where juice from pussy had flowed. She opened her legs more wide. With hand I pulled panty down and then from back I licked her pussy. "No Noooooooo what are you doing. Why are you putting your mouth there?" I guessed this is first time a man was kissing her pussy. "Don't worry aunty just enjoy." Her pussy was smelling of piss and her juice. Just smelling hot smell of her pussy made me more horny. I saw her fat pussy lips showing from hairy jungle. I took both lips in mouth and sucked hard. "Ahhhhhhh mmaaaaaaaa" aunty moaned more loud. I kept sucking and licking then I kissed her ass and give it small bites. Her body shook with pleasure and she pushed her ass out more to me. I parted her big arse and licked her asshole. When my tongue forced inside her arse hole she come again. And my cock also very hard now. I open zip and take out cock. With my cock I rubbed her clit and she pushed back. Auntie's pussy was so slick with juice that my 8 inch hard cock slide in fully in one stroke. With hands I catch her boobs and press hard. Now she is screaming "Aaaahhhhh fuck me Kamal aaahhhhhhhh". Wind from window in door was flowing her hair into my face. And my cock buried in wet and heat pussy. I am start to give hard stroke with cock. I take out her boobs and pinching and twisting her nipples when giving stroke in pussy. Aunty moving ass back front and fucking my cock. Soon aunty comes for third time in evening and then I also come inside aunty pussy deep. Giving thick shoot of cum inside her. Then I pull cock out of pussy and put back her panty and drop sari. Then she turn to me kiss in mouth. She kneels down and kisses and cleans my cock. We do exchange of phone number and now when I visit Delhi I call her to hotel and have long fuck sessions with her.
